Introduction

Dear students,

We are happy to welcome you as international students at Martin Luther University Halle-Wittenberg!

To make your arrival and settling in easier, we have compiled the following document with information on the first steps in Halle (Saale).

We ask you to read the document carefully. Nevertheless, we, as the International Office of the University, are always at your side should you have any questions.

Contents

Introduction	1
1 Arrival/entry (visa, entry regulations under Covid)	5
Timely arrival	5

1 Arrival/entry

(visa, entry regulations under Covid)

Timely arrival

When the lectures at the Martin Luther University Halle-Wittenberg begin is always different. But when the semesters start is always the same:

- Start of summer semester: 01 April
- Start of winter semester: 01 October

On these two dates, students should definitely have travelled to Halle (Saale). It would even be better to arrive much earlier in order to complete all formalities more relaxed before the stressful start of lectures.

Note: *Students who have a place in a dormitory should know here that they cannot move into the dormitory before April 1 / October 1. For the time between arrival and moving into the dormitory, another accommodation must be found to bridge this period.*

It is also important to know that the enrollment documents, which also include the online login for course registration, are only handed out in person at the university. Under no circumstances can these documents be sent by post or e-mail beforehand.

Visa requirements - Study visa for Germany

If you intend to study in Germany, you must first apply for a study visa at the responsible German mission abroad before entering Germany.

This does not apply to nationals of EU and EEA countries (Iceland, Liechtenstein, Norway) and Switzerland):

<https://www.auswaertiges-amt.de/en/visa-service/buergerservice/faq/-/606848?openAccordionId=item-606690-23-panel>

Nationals of some other countries are also exempt from visa requirements when entering Germany:

<https://www.auswaertiges-amt.de/de/service/visa-und-aufenthalt/staatenliste-zur-visumpflicht/207820>

Study visa

- Validity for three months from the date of entry into Germany
- Application for a residence permit for the duration of the study stay must be submitted to the Foreigners' Registration Office ("Ausländerbehörde" in German) within the first three months.
- Entry visa for the purpose of study must be available (for the purpose of a language course is not sufficient)

ATTENTION!

All students from non-EU countries need a valid residence permit for Germany if they want to leave Germany for travel purposes and enter again. The entry visa with which most students have come to Germany (study visa, valid for 3 months) does not entitle the holder to multiple entries!

States with visa-free entry to Germany

Nationals of some non-EU countries are exempt from visa requirements when entering Germany:

<https://www.auswaertiges-amt.de/de/service/visa-und-aufenthalt/staatenliste-zur-visumpflicht/207820>

Nevertheless, the following also applies to students from these countries: within 3 months after entering Germany, a residence permit for study purposes must be applied for at the responsible Foreigners' Registration Office (at the place of residence).

Special entry visas (visiting and exchange students)

Some guest and exchange students enter the country with visas that are valid for the entire period of study. **In these cases, it is not necessary to apply for a residence permit at the Foreigners' Registration Office.**

Special cases (visiting and exchange students)

Special rules apply to incomings who are not citizens of EU and EEA countries as well as Switzerland, but who already have a residence permit for studying in an EU country and who come to us for a guest study stay. **In these cases, please contact the International Office!**

1a Entry regulations under Covid-19

In the winter semester 2022-23, special regulations for students entering Germany from abroad might still apply. We have compiled all important information on this on our homepage:

<https://www.international.uni-halle.de/corona-information/>

2 Buddy Program

Every visiting and exchange student is given the opportunity by us as the International Office to receive support from a full-time student of our university (buddy).

Depending on availability, international full-time students can also receive a buddy.

What is a "buddy" and what can they help me with?

A buddy is an unpaid and volunteer student at MLU who is supposed to help you settle in Halle and in your new study situation at our university.

Buddies receive basic training from the International Office. Please note that this does not make the Buddies perfect experts in all areas.

He is not your mentor and is not supposed to be there for you 24/7. He is only a help and first point of contact if you have problems and questions or just need a sympathetic ear.

How do I sign up for the buddy program?

- **Guest and exchange students**

You simply have to answer the question "Participation in the buddy program" with a "yes". Then you are automatically signed up.

- **Degree-seeking students**

Please send the International Office (incoming@international.uni-halle.de) an e-mail stating your wish to participate in the program.

The e-mail should include the following facts:

- Full name
- E-mail address for further correspondence
- Country of origin
- Mother tongue
- Address in Halle (Saale)
- Study program at MLU
- Desired language of conversation with the buddy

How does a buddy get matched with me?

Assignments are made by the International Office based on the following criteria:

- Language
- study program
- Place of residence

We prioritize the allocation according to these aspects and then notify all interested parties about their matching with a buddy.

The manner of subsequent contact is then entirely up to the participants.

Does a buddy have to host me in their own apartment?

No. A buddy is not obliged to do this. If he does offer to do so, it is at his discretion to offer to do so..

Other things a Buddy is **not** obligated to do::

- Help you out financially
- - Help you with your university work, e.g. write essays for you
- - Search for accommodation for you (exception: taking over the key in the student dormitory)
- - to take care of other international students who have not been assigned to him/her

Who can help me if I find myself in (financial) difficulties?

Contact the International Office in such cases!

E-mail: incoming@international.uni-halle.de

Telefon: 0345 55 21537

What if I don't get along with my buddy?

If difficulties arise between you and your buddy that can no longer be solved, there is the possibility to change the buddy.

However, this possibility always depends on the availability of the other buddies, because if you wish to change your buddy, another one must have capacity to take care of you additionally.

The program is designed in such a way that buddies are assigned at the beginning of each semester, which also ends the application period for the program on both sides. This means that no new students can apply to be buddies in the buddy program.

Therefore, it may also happen that you cannot change your buddy or a change means that you no longer have a buddy.

3 Enrolment

The enrolment documents can be picked up in person only on the following dates:

Thursday, October 6th 2022 (Orientation Week)

Tuesday, October 11th 2022

Thursday, October 13th 2022

Place: Löwengebäude at the main campus

Time: to be announced via e-mail

Every document necessary for the enrolment needs to be sent to

enrolment@verwaltung.uni-halle.de

or (for guest and exchange students only) uploaded to **MobilityOnline**.

Necessary documents:

- **Guest and exchange students**
 - Completion of Registration (needs to be sent via e-mail to the above mentioned address)
 - Signed application form
 - passport photo (jpg or png format; in most cases already sent with application)
 - proof of health insurance*

- **degree-seeking students**
 - passport photo (jpg or png format; in most cases already sent with application)
 - Admissions letter or application number
 - Exmatriculation or study progress certificate (ONLY if you have studied at a German university before)
 - Proof of health insurance*

***IMPORTANT NOTICE: Proof of Health Insurance**

The proof of health insurance for students who are required to take out German statutory health insurance is provided by the health insurance company directly to the university.

In order to initiate this process, you must request your health insurance company to transmit this data to the Martin Luther University Halle-Wittenberg.

The electronic conveyance does not apply to students from EU-countries. Those should email a scan (front and back) of their **EHIC (European Health Insurance Card)** to the enrolment office (enrolment@verwaltung.uni-halle.de).

Paying the semester contribution

(252,35 €)

IMPORTANT NOTICE: Only transfer the semester contribution when you **for sure have a visa for your study stay in Halle (Saale)**.

- by bank transfer from home country (please note fees).
- cash deposit at any bank (fees: 10 €) or
- by bank transfer after opening an own account at any bank in Germany

Please note: The enrolment is only completed after the payment confirmation has been received!

The following documents can be picked up in person at the main building (Löwengebäude) after payment and receipt of the required documents (for guest students in mobility and for degree seeking students at the Registration Office):

- Student ID
- Certificate of enrollment
- Passwords for Stud.IP, Löwenportal and student email address

Student ID card | Uni Service Card

Card functions:

- Student ID card >> validate (have semester date printed on it)
- library card
- copy card >> charge money
- Mensa card >> top up money
- Ticket for public transport (Streetcar, bus, S-Bahn in Halle/Leipzig and surroundings can be used free of charge)

Re-enrolment deadlines

Every semester, every student needs to renew their enrolment by paying the semester contribution fee again.

The deadlines are the following:

- Winter semester: 20.6. until 31.7.
- Summer semester: 1.12. until 31.1.

Every student needs to do this **ACTIVELY** on their own unless they have set up an automatic withdrawal from their German bank account via SEPA-Lastschriftmandat.

4 Health Insurance

If you want to study at a German university, you need proof of health insurance. Without health insurance enrolment is not possible.

Students from EU countries

Students from EU countries who have a European Health Insurance Card (EHIC) only need a photocopy of this card for enrolment purposes.

Students from agreement countries

Students from agreement countries [Bosnia-Herzegovina, Macedonia, Montenegro, Serbia (without Kosovo), Turkey or Tunisia] must obtain a certificate from the health insurance provider in their home country before departure ([see information sheet on health insurance on the International Office website on the subject of insurance](#)). This certificate must be exchanged for an entitlement card at any statutory German health insurance company before visiting a doctor. This entitlement card is only valid for one quarter (3 months). If a visit to the doctor is necessary in the following quarter, a new entitlement card must be issued.

Students from non-EU countries

Students from non-EU countries without an agreement must take out statutory health insurance in Germany (costs: approx. 110 € per month; can be taken out directly upon enrolment). Health insurance policies issued abroad are accepted by the university only in exceptional cases.

Special cases (students over 30 years)

Students who are 30 years of age and older, are no longer eligible for the student insurance. Special regulations apply here. These students can take out voluntary statutory health insurance or, if necessary, private health insurance.

Cancellation of health Insurance

In any case, the health insurance must be terminated. The cancellation must take place before the departure. For this purpose, a certificate of exmatriculation and proof of departure (e.g. flight ticket or deregistration with the city) are required.

5 Residence registration

Anyone moving into an apartment in Germany must register with the registration office responsible for the new place of residence within two weeks.

fee: for free

Necessary documents:

Form "Meldeschein" (available free of charge at the registration office; can be filled out in advance, but information can also be entered on site by the employee):

- Identity card or passport
- Certificate of accommodation (registration)

Note: The residence should and can really only be registered when your address for the study stay has been determined and you have received a rental contract/subletting agreement and the accommodation provider certificate.

Where?:

Meldebehörde/ Einwohnermeldeamt
Ratshof, Marktplatz 1
06108 Halle

Opening hours (**appointment only**):
Mo 8:00-16:00 | Tue / Thu 8:00-19:00
Wed 8:00-12:00 | Fr 9:00-15:00 |
Sa 9:00-12:00

Online appointment scheduling:

Appointments must be made with the registration office / Einwohnermeldeamt (residents' registration office) for registering and deregistering your place of residence. The city of Halle has set up an online appointment system for this purpose:

<https://www.halle.de/de/Verwaltung/Online-Angebote/Online-Dienste/Terminvereinbarung/Termin-Buergerservic-08648/>

After selecting the service and a corresponding appointment, the system sends an e-mail with a confirmation link and a link to cancel the appointment.

The confirmation link must be clicked within one hour after receiving the email, otherwise the appointment will expire.

After confirming the appointment by clicking the link, the system sends another e-mail, which then contains the confirmation of the appointment by the registration office and the waiting number for the appointment.

Residence deregistration (in case of relocation within Germany or departure at the end of the study stay)

Anyone who changes residence or moves out of an apartment and does not move into a new apartment in Germany must reregister/deregister with the registration office within two weeks of moving out. A re-registration/deregistration is possible at the earliest one week before moving out.

Fee: free of charge

Necessary documents:

- Deregistration" form (available free of charge from the registration office; can be filled out in advance, but information can also be entered on site by the processor).
- Identity card or passport
- Accommodation provider certificate (deregistration)

Deregistration can be done in person at the registration office/residents' registration office or by mail. For deregistration by mail, the appropriate form, a copy of your passport and a stamped envelope are required.

Wohnungsgeberbescheinigung

Each time you register or deregister a dwelling, you must submit a housing provider certificate (Wohnungsgeberbescheinigung) to the registration office.

With this certificate, housing providers (landlords) must confirm the move-in and also the move-out of the tenant from an apartment (see above) within two weeks in writing or electronically.

Fee: free of charge

Processing: Issuance is made by the housing provider (landlord) or owner responsible for the apartment.

Note:

The housing provider can be: the apartment owner(s) or persons authorized by them, in particular the responsible property managers. However, main tenants can also act as housing providers if they sublet rooms of their apartment.

This housing provider certificate must contain the following data:

- Name and address of the housing provider
- Type of transaction subject to registration with dates of moving in or moving out
- Address of the dwelling and
- Names of the persons subject to registration

When specifying the address of the apartment, the designation of an apartment number or floor would be very helpful. This is recommended especially for larger residential complexes (high-rise buildings) with a large number of residential units.

6 Opening a bank account

For the stay of most international students in Germany it is advisable to open a bank account, e.g. for the payment of the semester contribution free of charge, for the payment of rent and health insurance, etc.

Students from EU countries

Normally, you can withdraw money from any ATM at banks within the European Union. However, some banks charge a fee for this. Therefore, it is recommended to open a German bank account during your study stay.

Bank account for students

(→"Summary table Blocked Bank Accounts" & "Summary Table Bank Accounts")

Fee: varies → „Overview bank accounts“

Necessary documents:

- Identity card or passport
- Student ID card/registration certificate
- Registration certificate (residence registration)
- Tax identification number (will be provided after registration of residence)

Opening blocked bank accounts - documents

- - Identity card or passport
- - Service order (form to activate the account)
- - Registration certificate (residence registration)

Blocked bank account

Why do international students need a blocked account?

International students **who do not come from an EU country** must prove that they can support themselves for their studies and living expenses.

Often, **proof of funding** must already be provided when applying for the visa.

The simplest and most common option for proof of funding is a blocked account. In addition, the blocked account serves as proof of financing when applying for the residence permit at the Foreigners' Registration Office at the place of residence in Germany. Students who have created a blocked account for their visa can show this proof at the Aliens' Registration Office without any problems. However, some international students can enter Germany without a financing check and only require proof of financing when applying for a residence permit. In this case, the blocked account must consequently be created in Germany.

What is a blocked bank account?

The blocked account is a special account in which a certain amount of money is deposited and blocked. The amount of this money depends on the planned duration of stay in Germany. Students have to deposit a minimum amount of money (currently 934,00 €/month and 11.208 €/year) in this account for the time they want to spend in Germany. This is usually already done when applying for the entry visa for Germany, for which in many cases the opening of a blocked account in the home country is necessary.

After arrival in Germany, the account must be activated. What needs to be done for this varies from provider to provider. Information on this can be found in the overview "Blocked accounts" (see p. 12). Please note that, with the exception of Deutsche Bank, a checking account must be set up with one of the German financial institutions.

After activation, only €934.00 per month (for cash withdrawals, transfers, etc.) can be withdrawn from the blocked account. (If more than €934.00 has been deposited for each month, more can be withdrawn accordingly).

How to close a blocked account?

To close the blocked account, a **confirmation of closure of the blocked account** is required from the **Foreigners' Registration Office** - unless there is no money left in the account.

Passport and certificate of registration must be shown at the bank.

7 Residence permit

(only for non-EU-citizens, after registration of residence)

Every student coming from a non-EU country and intending to study in Germany for more than 3 months needs to apply for a residence permit:

- completely filled out application for issuance/renewal of a residence permit (<http://www.halle.de/Publications/694/33-019.pdf>)
- two passport photos (frontal view, biometric <http://www.biometrisches-passbild.net/>)
- Certificate of registration with the City of Halle („Meldebescheinigung“)
- proof of reason for residence (e.g. letter of admission or certificate of enrolment)
- proof of health insurance
- proof of sufficient financial means (934 € per month: blocked account/ bank statements/ proof of scholarship/ parents' declaration of support)
- proof of accommodation (tenancy agreement or subtenancy agreement)
- valid passport

Cost: for up to 1 year - 100 € | for more than 1 year - 110 €

8 Foreigners' Registration Office

Department of Foreigners and Asylum Affairs

At present, appointments at the Foreigners' Registration Office are only possible to a very limited extent and only in matters that are absolutely necessary and cannot be postponed. Therefore, the application for the residence permit is made by e-mail or post

([https://www.international.uni-](https://www.international.uni-halle.de/international_office/betreuungsangebote/international_students/einreise_aufenthaltsrecht/?lang=en#anchor3359412)

[halle.de/international_office/betreuungsangebote/international_students/einreise_aufenthaltsrecht/?lang=en#anchor3359412](https://www.international.uni-halle.de/international_office/betreuungsangebote/international_students/einreise_aufenthaltsrecht/?lang=en#anchor3359412))

✉ Am Stadion 5
06114 Halle (Saale)

📧 auslaenderbehoerde@halle.de

PLEASE NOTE: We highly recommend sending your documents via postal service with a so called “Einschreibesendung”. With that particular process of mailing in Germany, you will receive a tracking ID of your mail and with that you have proof that your documents have arrived and have arrived in time at the FRO.

IMPORTANT: For visits to the Foreigners' Registration Office

The Foreigners' Registration Office of the City of Halle (Saale) is open for customer traffic. To reduce the risk of infection in the course of the current COVID-19 pandemic, personal appearances at the Foreigners' Registration Office are currently only possible to a very limited extent and only in absolutely necessary matters that cannot be postponed.

If you have not yet booked an appointment, you can send your application to the Foreigners' Registration Office by post or by e-mail.

Address:

Stadt Halle (Saale)
Abteilung Einreise und Aufenthalt
Marktplatz 1
06100 Halle (Saale)
E-Mail: auslaenderbehoerde@halle.de

If a personal visit is required for your request, you will receive an appointment from the Foreigners' Registration Office.

Note: Should your appointment with the Foreigners' Registration Office only take place after your visa has expired, **a printout of the booking confirmation for this appointment will serve as a temporary residence permit.** The booking confirmation certifies that the application for your residence permit is already in progress and that you are entitled to stay in Germany for this period of.

9 Study organisation

for full-degree/ degree-seeking students

Important for full-degree students is not just the proper immatriculation, which has already been explained at length further up, but also the two websites “Löwenportal” and “studIP”. Why these two are so important and what you can do with them is being explained in the document “**studIP vs. Löwenportal**”. Please read the document thoroughly!

Registering modules

Every semester it is not just important to sign up for courses on studIP but also to register the corresponding modules on Löwenportal.

The registration deadlines are hereby of high importance.

Deadlines for registering modules:

- **Winter semester from 28.09. until 25.10.**
- **Summer semester from 18.03. until 18.04.**

10 Study organisation

For visiting and exchange students

At the beginning of the stay:

Confirmation of Enrolment (CoE) | Confirmation of Arrival in Halle

- - Compulsory for all exchange students who spend 1-2 semesters in Halle.
- - 7 days after entry, arrival in Halle must be confirmed by email to erasmus@international.uni-halle.de

Choose a course

- Courses online: https://studip.uni-halle.de/plugins.php/vorlesungsverzeichnisplugin/sem_tree/index?cancel_login=1
(without login)
- Course selection in consultation with subject coordinators (home university and Halle)
- Final registration and entry in courses on Stud.IP after receipt of access data
- Discuss participation and performance individually with lecturer (does not replace discussion with subject coordinator)
- Enter course selection in the Mobility Online profile and complete the course list.

Learning Agreement | List of courses

- Compulsory for all ERASMUS students
- Agree with the home university which courses the students will attend in Halle.
- First discuss with the coordinator of the home university, then with the coordinator in Halle and have them both confirm (signature & stamp.)

During your stay:

Please read the document “studIP vs. Löwenportal” thoroughly to get all the information you need on how to organise your studies during your stay in Halle (Saale).

- **Student E-mail**

You will be assigned a student's e-mail address upon your matriculation. The information on how to log in to [the e-mail page](#) can be acquired in your matriculation documents.

Important to know is that you will need to check your e-mails regularly because most of the communication of the university to you will happen through that address.

You can also set up an automatic forwarding of this e-mail address to your private one.

This is how you set it up:

- Go to the little ⚙ (options) sign in the upper right corner of the website
- Go to the option “Rules”
- Set up the forwarding rule

At the end of the stay:

Confirmation of Courses Attended | final course list and basis for the Transcript of Records (ToR)

- will be entered in Mobility Online
- Print course list and obtain confirmation from individual lecturers (LP, grade, signature, stamp)

Confirmation of Attendance (CoA) | Confirmation of Departure

- Compulsory for all exchange students who spend 1-2 semesters in Halle.
- Application 7 days before departure by email to erasmus@international.uni-halle.de

Transcript of Records (ToR) | Confirmation of courses taken and services rendered

- will be issued after presentation of the Confirmation of Courses Attended at the examination office - only in this way can achievements be recognised in the home country

11 Miscellaneous

Language courses

Courses organized by the Institut für deutsche Sprache und Kultur e.V.¹

Application form: http://www.sprache.uni-halle.de/mlu/studienbegleitende_sprachkurse/

Fees: 125 € / Semester

Language Center | August-Bebel-Straße 13c

www.sprachenzentrum.uni-halle.de/

Application: via e-mail or studIP

Fee: free of charge

Cultural Program²

Cultural Program of the International Office und ESN Halle

Other student activities

In Germany it is the case that most students participate in activities not organised by the university. They are part of some club or engage themselves in volunteering. That is also the reason why the university itself does not offer that many extracurricular activities.

We have therefore compiled a small list of possibilities to fill your free-time with and find new friends:

- **Volunteering Agency of Halle (Saale)**

The volunteering agency (Freiwilligenagentur) of Halle (Saale) has got a data bank in which you can search for social or other projects to engage in.

<https://www.freiwilligen-agentur.de/>

- **Student council of the Martin-Luther University Halle-Wittenberg (Stura)**

The student council is the official representative of all students enrolled into our university. They try to make the study conditions at our university better for each and every student. Since the Stura is being elected for only one semester at a time, even exchange students could possibly take part in it and have themselves put on the voting ballot. For the people not wanting to do that, the Stura has also a lot of groups working on different topics. You can also partake in one of these.

<https://www.stura.uni-halle.de/#bereiche>

- **Collegium Musicum**

If you are musically talented, you can take part in the student choir or band of the university.

<https://www.coll-music.uni-halle.de/>

More student activities can be found on our website [here!](#)

Broadcasting licence fee

Since 1 January 2013, every home owner in Germany has had to pay the broadcasting fee. This fee covers the costs for public broadcasting, i.e. for television, radio and also streaming services on the internet.

This regulation also affects ALL citizens who have registered a place of residence in Germany (i.e. also all Halle and international students) - regardless of whether they are only staying for one or two semesters or for an entire course of study, whether they live in a hall of residence or in a private flat, whether they have a radio or a television or not. None of this matters.

Further information about the broadcasting licence fee can be found here:

https://www.rundfunkbeitrag.de/welcome/englisch/students_and_apprentices/index_ger.html

or can be requested from the contribution service:

ARD ZDF Deutschlandradio
Beitragsservice
50656 Köln

Service-Telefon: 018 59995 0100 (Mo-Fr 7:00 - 19:00 Uhr)

Source: <https://www.rundfunkbeitrag.de/>

Amenities and amenity bills in Germany

Amenities (except electricity) are usually included in your rent already. In Germany it is called "Warmmiete" then. The "Kaltmiete" would be the rent of your place excluding water and heating.

The amount of money for your amenities in your rent is an estimate of your usage. This means that if you exceed this estimate by for instance using a lot of water or having the heater on all of the time, you will need to pay for this excess.

Every year you will get an amenities bill ("Nebenkostenabrechnung") where it is stated how much water and heat you have used throughout the year. If you have used more than the estimate in your current rent, you will need to pay this difference. If you have used less, you will get money back.

Appendix

Summary Table Blocked Bank Accounts I

Bankname & Kontaktdaten	Dokumente + Identitätsprüfung	Sperrkontoeröffnung und Gebühren	Sperrkontofreischaltung	Online-Link für Informationen
Coracle Online blocked account ✉ info@coracle.de	Online-Formular Online-Identitätsprüfung	Online, vor der Abreise möglich <u>Gebühr:</u> 99€, keine monatl. Gebühren	1.
